Estimated Construction Cost	Estimated Completion Date
-----------------------------	---------------------------

MINIMUM SUBMITTALS

<input type="checkbox"/>	Plat of Survey/Site Plan showing location, dimensions, setbacks and proposed materials for the driveway/parking lot.
<input type="checkbox"/>	Written approval from We Energies for any portion of a driveway/parking lot proposed to be located within a Utility Easement. Contact: We Energies at 262-763-1044.
<input type="checkbox"/>	Village, State or County Work in the Right-of-way Permit, if applicable
<input type="checkbox"/>	Erosion Control Application with Landscape Plan and Commercial Electrical for any lighting may be required for the construction/modifications of parking areas, if applicable.

The Village may require additional information be submitted to ensure that all Village requirements are being met. The Applicant will be contacted, if additional information is required to be submitted.

PERMIT REVIEW, ISSUANCE OF PERMIT

- Permits may require up to 10 business days to process. If during the Village's review of the application, information is missing or additional information is required, the permit will be put on hold until the information is received, then the 10 day review period will start again. The Applicant will be contacted when the permit is ready to be issued with total permit fees due and permit conditions.
- Any culvert within a Village public street will be installed/modified by the Village Public Works Department only. The property owner will be invoiced the actual cost for the installation/modification of the culvert.
- Before digging call Diggers Hotline at 1-800-982-0299 to have all underground utilities marked.

INSPECTIONS

All required inspections shall be scheduled at least 2 business days in advance by calling 262.925.6726 unless otherwise noted on the permit.

REQUIRED SIGNATURES

By submitting this application, I certify that all of the information and attachments submitted are true and correct to the best of my knowledge. I understand that for any work started or completed without proper permits, a triple fee will be charged. I agree that all of the work will be done in accordance with all applicable Village, County, State and Federal codes, ordinance requirements and permit conditions. I also agree to allow the inspection of the premises by the Village's Inspectors during regular business hours.
