

PROJECT BRIEF

WIS 50 Reconstruction | 117th to 43rd Avenues | Kenosha

November 23, 2022

NORTHBOUND 60TH AVENUE TRAFFIC SWITCH

The Wisconsin Department of Transportation (WisDOT) is reconstructing WIS 50 (75th Street) between 117th and 43rd avenues in Kenosha County. The following work is scheduled to take place as part of this project.

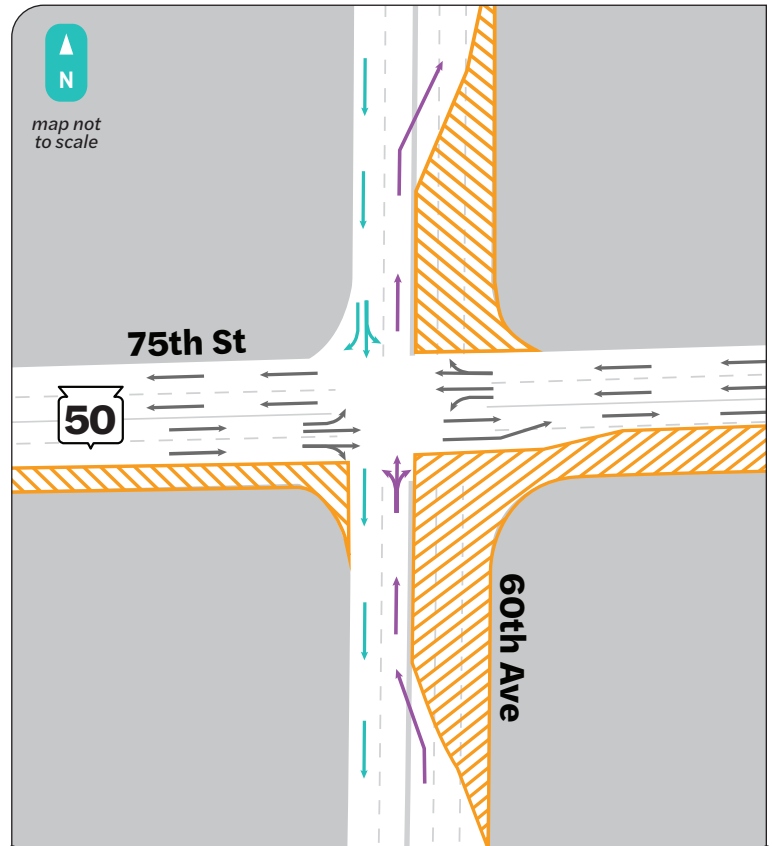

Monday, November 28:

- Traffic on northbound 60th Avenue from just north and south of WIS 50 (75th Street) is scheduled to be shifted to the west, onto the newly paved southbound lanes, while crews work to pave the WIS 50 and 60th Avenue intersection.

Bi-directional traffic on 60th Avenue will be maintained throughout construction. Motorists should be aware that dedicated turn lanes and median openings in various locations throughout the project area are scheduled to close to traffic while intersections are under construction.

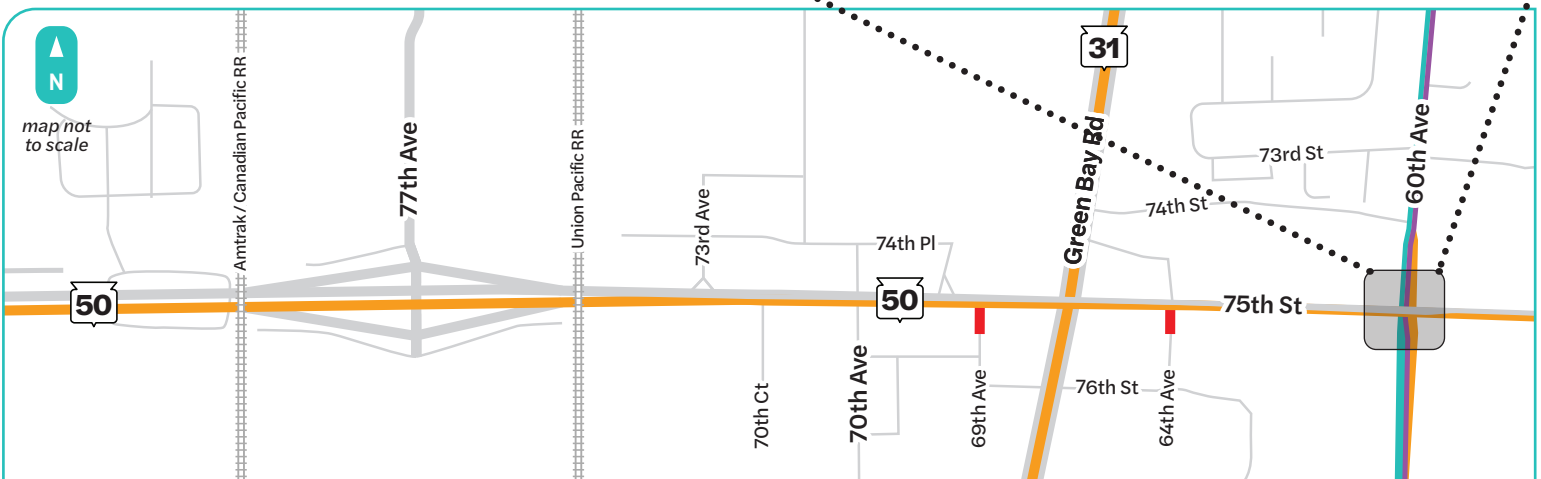

Access to businesses and residences will be maintained throughout construction.

Please note that all work is weather dependent and subject to change.
