UPCOMING TRAFFIC SWITCHES on WIS 50 and WIS 31

The Wisconsin Department of Transportation (WisDOT) is underway with reconstructing WIS 50 (75th Street) between 117th and 43rd avenues in Kenosha County. The following work is scheduled to take place as part of this project:

Thursday, December 8:

- Westbound traffic on **WIS 50 (75th Street)** between 49th Avenue and 52nd Avenue is scheduled to be shifted to the newly paved westbound lanes.
- **52nd Avenue**, north of WIS 50, is scheduled to open to traffic with right-in, right-out access only.

Friday, December 9:

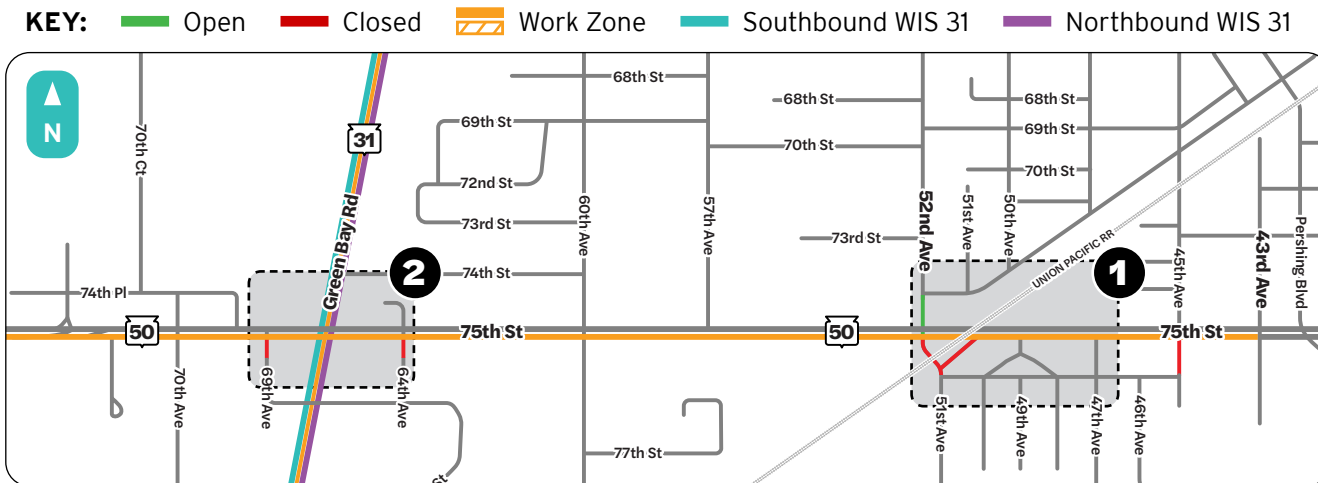

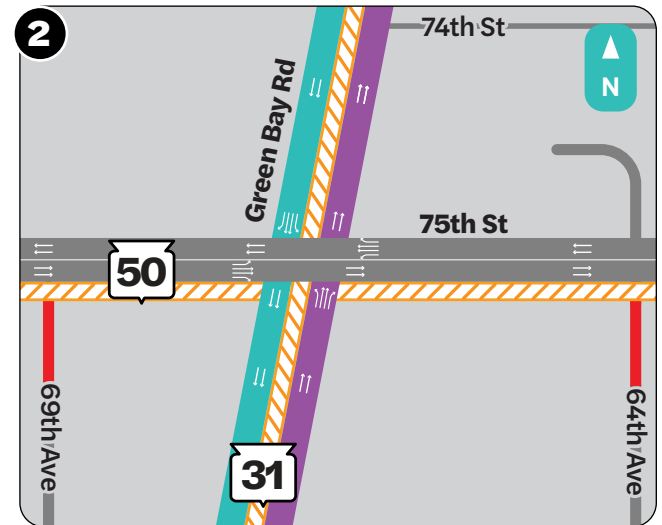

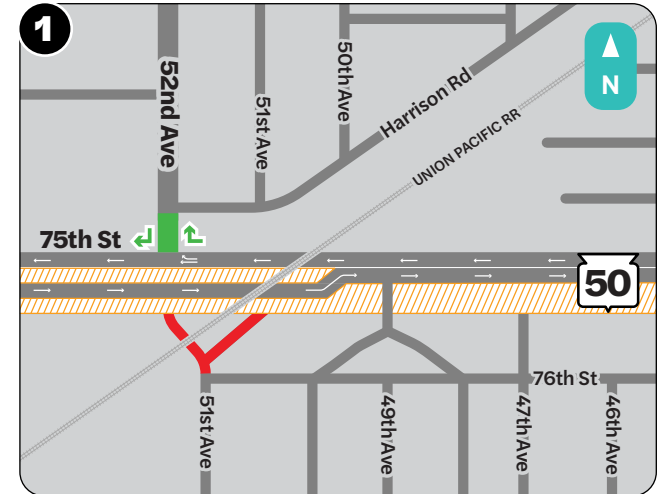

- Southbound traffic on **WIS 31 (Green Bay Road)** from 78th Street to 67th Street is scheduled to be shifted to the newly constructed southbound lanes.

These traffic patterns will remain in effect until spring 2023.

Motorists should be aware that dedicated turn lanes and median openings in various locations throughout the project are scheduled to close to traffic while intersections are under construction.

Access to businesses and residences will be maintained throughout construction.

Please note that all work is weather dependent and subject to change.
